

Head Over Heels
Davin James, Davin James Music / BMI

C **F** **G** **C**
I was taught, early on. If you get bucked, you get back on.

C **F** **G**
But here I go, Head over heels again.

C **F** **G** **C**
Get back up, and shake it off. Nothing gained nothing's lost

C **F** **G**
I'll try my luck again in Sante Fe.

Chorus

C **F**
Too many miles and too few smiles

G **C**
I'm ready to, be home for a while

F **G**
Got a good woman barely hanging on

C **F**
I got lucky on the draw

G **Am**
I don't know how she puts up with it all

F **G**
Chasing my dreams the way I do

Dm **G** **C**
I'll always fall head over heels for you

C **F**
I've been having second thoughts

G **C**
I'd like to call the whole thing off

C **F** **G**
Hang up my spurs and wake up with her in my arms

C **F** **G** **C**
Just one more big pay day and we could buy that little place

C **F** **G**
The one we always dreamed we'd have someday

Chorus
